Education

•Indian Institute of Information Technology Bhagalpur *September 2023 – June 2027*
B.Tech in Computer Science and Engineering Bhagalpur, Bihar
– SGPA: 8/10
– CGPA: 7.52/10
– Relevant Coursework: DSA, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks

•Avadh Collegiate *2022*
Senior Secondary (Class XII) and Secondary (Class X) Lucknow, India
– Class XII: 86% | Class X: 92%

Technical Skills

Languages: Java, Kotlin, C++, Python, SQL
Backend Development: Spring Boot, REST APIs, Microservices, JWT Authentication, System Design
Frontend Development: ReactJS, Jetpack Compose, JavaScript, HTML, CSS
Databases & Caching: MySQL, PostgreSQL, MongoDB, Firebase Firestore, Redis, RoomDB, SQLite, JPA/Hibernate
Machine Learning & AI: Deep Learning, Generative AI, LLMs, OpenAI API, FAISS, Vector Search, Embeddings
DevOps & Cloud: Docker, Kafka, Git, GitHub Actions, CI/CD
Tools & Practices: Postman, Gradle, Android Studio, JUnit, Figma, Canva, Data Structures and Algorithms

Experience

•Amazon ML Summer School *2026*
Mentee Virtual
– Selected as one of **3,000** students from **134,000**+ applicants (~2.2% selection rate).
– Mentored by **Amazon scientists** in **machine learning** across four weekends of virtual sessions covering **recommendation systems**, **NLP**, and **computer vision**, with live Q&A.

Projects

DevMate AI – AI-Driven Interview Preparation Platform Application *2026*
Kotlin, Jetpack Compose, MVVM, Room, Firebase, Retrofit, OpenRouter AI, CameraX, ML Kit
- Architected a **mock interview platform** with **LLM-generated follow-up questions**, configurable difficulty, and contextual questioning across technical, HR, mixed, and company-specific interviews.
- Implemented **AI-based answer evaluation** and tracked **history and progress trends** with Room and Firebase, cutting manual review time by **40%**.
- Integrated **CameraX** and **ML Kit** for real-time face-presence and attention detection, alongside voice-based answer input and automatic interview completion.

•TriSpark – AI-Powered Fashion Intelligence Platform *2025*
FastAPI, Python, React, OpenAI API, FAISS, OpenCV, MediaPipe, OpenWeather API
– Developed **4 AI-enabled fashion modules** within a **3-member team**, using OpenAI embeddings and **FAISS vector search** to retrieve semantically similar outfit recommendations from a catalog of **1,000**+ **products**.
– Engineered **Sync Studio** and **Pick By Place**, integrating **3 external APIs** (OpenAI, OpenWeather, ImgBB) to personalize outfit recommendations by clothing type, location, weather, and occasion.
– Built **Virtual Vanity** with **OpenCV** and **MediaPipe** pose estimation, enabling **real-time virtual try-on** across multiple apparel categories through body landmark detection.
– Delivered **Style Arena Battle** and **Senora** as **2 engagement features** for gamified discovery and inclusive recommendations.

Achievements & Certifications

•Flipkart Grid 8.0
Semifinalist among 1,65,000+ registrations nationwide 2026
– Earned **semifinalist** status in Flipkart Grid 8.0, outperforming **165,000**+ national registrants by demonstrating superior technical acumen and effective problem resolution strategies.

•Myntra WeForShe Hackathon
Ranked among Top 100 out of 50,000+ teams nationwide 2025
– Achieved a **Top 100 ranking** among over **50,000** nationwide teams in Myntra's WeForShe Hackathon; presented AI-driven outfit intelligence features to industry judges.

•Competitive Programming *2023 – Present*
LeetCode | CodeChef | Codeforces
– Attained a **LeetCode** rating of **1797**; peaked at **1579** (2-Star) on **CodeChef** and **1397** (Pupil) on **Codeforces**; solved **1200**+ problems across arrays, graphs, and trees (Codolio).

•Certifications *2024 – 2025*
Backend, Systems, and Software Engineering Credentials
– Forage: JPMorgan Chase SE Virtual Experience | ServiceNow: Certified System Administrator (CSA) | ServiceNow: Certified Application Developer (CAD)

Positions of Responsibility

•Academic & Coding Mentor, IIIT Bhagalpur *2023 – Present*
– Mentored **25**+ **juniors** in **DSA** and **Android development** through doubt-clearing sessions and project guidance.

•Core Member, Android Development Club, IIIT Bhagalpur *2023 – Present*
– Trained **50**+ **students** in **Android development** (Kotlin, MVVM, Retrofit, Firebase) via workshops and code reviews.
